

Getting Access to PECOS

4/6/2023

Disclaimer

National Government Services, Inc. has produced this material as an informational reference for providers furnishing services in our contract jurisdiction. National Government Services employees, agents, and staff make no representation, warranty, or guarantee that this compilation of Medicare information is error-free and will bear no responsibility or liability for the results or consequences of the use of this material. Although every reasonable effort has been made to assure the accuracy of the information within these pages at the time of publication, the Medicare Program is constantly changing, and it is the responsibility of each provider to remain abreast of the Medicare Program requirements. Any regulations, policies and/or guidelines cited in this publication are subject to change without further notice. Current Medicare regulations can be found on the [CMS website](#).

No Recording

Attendees/providers are never permitted to record (tape record or any other method) our educational events. This applies to webinars, teleconferences, live events and any other type of National Government Services educational events.

Objectives

Know benefits of using PECOS.

Understand the CMS systems and their relationships.

How to retrieve or create an I&A user account.

How to get connected to organization/individual enrollments and manage staff's access.

Today's Presenters : Laura Brown, CPC & Susan Stafford PMP, COA, AMR

Benefits of PECOS

Benefits of PECOS

- Access to provider enrollment information currently on file with Medicare, submitted
 - Electronic via PECOS
 - CMS paper application
- Submit electronic application for any scenario to update, add or delete provider enrollment information with the following features
 - Electronic signatures or upload certification statements
 - Upload supporting documents (PDF or TIFF)

Benefits of PECOS

- View the following PECOS reports
 - Medicare ID Report (PTAN, Medicare Number)
 - Approved Enrollment Record (view current provider enrollment information)
 - Pending Reassignment Applications
 - Reassignment Report (PTAN, effective date, revalidation due date)

We need a way to deliver a temporary code to you to verify your identity. We can do this via a phone number (either by voice or Text/SMS) or you can choose to have it sent to you in an e-mail. You must enter this code on the next page.

You must identify at least one method for receiving your verification code; however, you may provide up to two different methods.

Please note the following Text/SMS and Voice Call Details:

- International phone numbers are not supported.
- Standard message and data charges may be applied by your carrier.
- By entering a Mobile Phone Number, you are certifying that you are the account holder or have the holder's permission to use the phone number to receive a Text/SMS message.

Please select a Multi-Factor Authentication Method:

❗ Congratulations, your account has been successfully created.

- If you are an Individual Provider, you will be able to see all associations with your NPI.
- If you are an Authorized Official or Access Manager, you will need to add your employer(s) to manage staff and connections associated with your employer(s).
- If you are a Staff End User, you may add your employer and ask an Authorized Official or Access Manager associated with your employer to grant you access; or you can ask an Authorized Official or Access Manager associated with your employer to invite you to work on the behalf of the employer.

My Connection Tab – Individual Provider

The screenshot displays the CMS Identity & Access Management System interface. The top navigation bar includes the CMS logo and the text 'Centers for Medicare & Medicaid Services'. Below this, the page title 'Identity & Access Management System' is shown. The main content area is divided into two columns. The left column contains a 'Sign In' section with fields for 'User ID' and 'Password', a 'Sign In' button, and links for 'Forgot Password', 'Retrieve Forgotten User ID', and 'Enter your PIN'. To the right of the sign-in section is a 'One account to access multiple systems' section with a 'Create Account Now' button. Below this are three boxes for 'PECOS' (Use this system to register for Medicare or update your current enrollment information), 'EHR' (Register to receive EHR incentive payments for eligible professionals and hospitals that adopt, implement and upgrade or demonstrate meaningful use with certified EHR technology), and 'NPPES' (Use this system to apply for and manage National Provider Identifiers (NPIs)). The right column features a 'My Connections' tab, which is highlighted with a red box. Below the tab are sections for 'My Pending Connections' (Total Pending Providers: 0, Total Pending Surrogates: 0) and 'News & Alerts' (EUS Contact Information: External User Services (EUS), PO Box 792750, San Antonio, Texas 78279, https://ews.custhelp.com). At the bottom right are 'Application Links' for NPPES, PECOS, and EHR Incentive Programs, and 'Quick Actions' for 'Add Connection', 'Add Staff', and 'Add Employer'.

AO Role Request Approval

The screenshot displays the CMS Identity & Access Management System interface. At the top, a navigation bar includes links for Home, My Profile, My Connections, and My Staff. The My Staff link is highlighted with a red box. Below this, the page title is 'My Staff - Active Staff'. A red arrow points to the 'Role Requests' button, which is also highlighted with a red box. Other buttons visible are 'Inactive Staff' and 'Add Staff'. The CMS logo and 'Centers for Medicare & Medicaid Services' text are present, along with a login status: 'Logged in as Mehdi101' and 'Sign Out'. Below the navigation bar, the page title changes to 'My Staff - Pending Role Requests'. A search bar is provided with fields for 'Employee Last Name', 'Employee First Name', and 'Employer Name', along with 'Search' and 'Clear' buttons. A table lists pending requests with columns for Name, Current Role, Request Role, and Action. The first row shows a request for 'Access Manager' with 'Approve' and 'Reject' buttons. A red arrow points to the 'Approve' button. The second row shows a request for 'Staff End User' with 'Approve' and 'Reject' buttons.
