Benefits of PECOS

Benefits of PECOS

- Access to provider enrollment information currently on file with Medicare, submitted
 - Electronic via PECOS
 - CMS paper application
- Submit electronic application for any scenario to update, add or delete provider enrollment information with the following features
 - Electronic signatures or upload certification statements
 - Upload supporting documents (PDF or TIFF)

Benefits of PECOS

- View the following PECOS reports
 - Medicare ID Report (PTAN, Medicare Number)
 - Approved Enrollment Record (view current provider enrollment information)
 - Pending Reassignment Applications
 - Reassignment Report (PTAN, effective date, revalidation due date)

Identity & Access Management System

The screenshot shows the CMS Identity & Access Management System interface. At the top, it features the CMS logo and the text 'Centers for Medicare & Medicaid Services'. Below this is the title 'Identity & Access Management System' and a 'Help' link. A section titled 'EHR Business Function in I&A' contains a notice about the decommissioning of the EHR Incentive Programs website as of October 1, 2023. Below the notice, there is a 'Sign In' section with fields for 'User ID' and 'Password', both marked with an asterisk to indicate they are required. A 'Sign In' button is positioned below these fields. To the right of the sign-in fields, there is a 'One account to access multiple systems' section, which explains that users should create one account to manage access to NPPES and PECOS. It includes a list of responsibilities for users, such as keeping login information secure and reporting unauthorized use. Below this is a 'Create Account Now' button. At the bottom of the page, there are links for 'Forgot Password', 'Retrieve Forgotten User ID', and 'Enter your PIN'. A section at the bottom right provides information about PECOS (for Medicare enrollment) and NPPES (for National Provider Identifiers). At the very bottom, there are links for a 'Quick Reference Guide' and 'Frequently Asked Questions', along with a link to learn more about Multi-Factor Authentication (MFA).

[← Back to Previous Page](#)

* indicates required field(s)

We need a way to deliver a temporary code to you to verify your identity. We can do this via a phone number (either by voice or Text/SMS) or you can choose to have it sent to you in an e-mail. You must enter this code on the next page.

You must identify at least one method for receiving your verification code; however, you may provide up to two different methods.

Please note the following Text/SMS and Voice Call Details:

- International phone numbers are not supported.
- Standard message and data charges may be applied by your carrier.
- By entering a Mobile Phone Number, you are certifying that you are the account holder or have the holder's permission to use the phone number to receive a Text/SMS message.

Please select a Multi-Factor Authentication Method:

* Authentication Method:

Select Primary Authentication Method

- Phone Number Text/SMS
- E-mail Address
- Phone Number Voice Call

EHR Business Function in I&A

Starting October 1, 2023, the Promoting Interoperability Programs (previously known as The Medicare and Medicaid Electronic Health Records (EHR) Incentive Programs) website will be decommissioned and current users will no longer have access to the website. All options to add the EHR business function to staff will be removed in I&A and all pending requests for EHR will be rejected.

Authorized users are able to sign in to the Identity & Access Management System. If you are a new user you must first [register](#).
