BILLING NUMBER AND NATIONAL PROVIDER IDENTIFIER INFORMATION

The Provider Transaction Access Number (PTAN), often referred to as a Medicare Supplier Number or Medicare Billing Number is a generic term for any number other than the National Provider Identifier (NPI) that is used by a practitioner to bill the Medicare program.

The NPI is the standard unique health identifier for health care providers and suppliers and is assigned by the National Plan and Provider Enumeration System (NPPES). To enroll in Medicare, you must obtain an NPI and furnish it on this application prior to enrolling in Medicare or when submitting a change to your existing Medicare enrollment information. Applying for the NPI is a process separate from Medicare enrollment. To obtain an NPI, you may apply online at https://nppes.cms.hhs.gov. For more information about NPI enumeration, visit www.cms.gov/NationalProvidentStand.

NOTE: The Name and Social Security Number (SSN) that you furnish in section 2A and if applicable Legal Business Name (LBN) and Tax Identification Number (TIN) you furnish in section 4A must be the same Name, SSN, LBN and TIN you used to obtain your NPI. Once this information is entered into PECOS from this application, your Name, SSN, LBN, TIN and NPI must match exactly in both the Medicare Provider Enrollment Chain and Ownership System and the National Plan and Provider Enumeration System.

F. INDIVIDUAL REASSIGNMENT/AFFILIATION INFORMATION

Complete this section with information about all entities to whom you will be reassigning any or all of your Medicare benefits. For the purposes of this section of this application, an entity is defined as an individual, private practice, group/clinic, or any organization to which you will reassign your Medicare benefits. Reassigning benefits means that you are authorizing the entity to bill and receive payment from Medicare for the services you have rendered at the entity's practice location. Furnish the requested information about each entity to which you will reassign your Medicare benefits. In addition, either you or the entity reported in this section must complete and submit a CMS-85SR(s) (individual Reassignment of Benefits) with this application.

If you are the sole owner of a professional corporation, a professional association, or a limited liability company, and will bill Medicare through this business entity, you do not need to complete a CMS-855R that reassigns your benefits to the business entity.

NOTE: Each new reassignment or termination with an entity requires you to submit a new CMS-855R. You do not need to submit an updated CMS-855I. Submission of the CMS-855R will ensure reassignments are properly maintained and current.
