Disclaimer

National Government Services, Inc. has produced this material as an informational reference for providers furnishing services in our contract jurisdiction. National Government Services employees, agents, and staff make no representation, warranty, or guarantee that this compilation of Medicare information is error-free and will bear no responsibility or liability for the results or consequences of the use of this material. Although every reasonable effort has been made to assure the accuracy of the information within these pages at the time of publication, the Medicare Program is constantly changing, and it is the responsibility of each provider to remain abreast of the Medicare Program requirements. Any regulations, policies and/or guidelines cited in this publication are subject to change without further notice. Current Medicare regulations can be found on the [CMS website](#).

No Recording

- Attendees/providers are **never** permitted to record (tape record or **any** other method) our educational events
 - This applies to our webinars, teleconferences, live events and any other type of National Government Services educational events

Objectives

- Provide an overview of the Medicare preventive service
 - Ultrasound screening for abdominal aortic aneurysm (AAA)
- Encourage providers to promote and educate beneficiaries in life-saving preventive services and screenings
- Assist providers in billing so that claim denials can be avoided

Agenda

- Overview of Medicare's Preventive Services Program
- Ultrasound Screening for AAA
- Resources and References
- Question and Answer

Preventive Services Overview

- CMS recognizes the importance of disease prevention, early detection and lifestyle modifications supporting the health of Medicare beneficiaries
- Medicare pays for many preventive benefits, including educating Medicare beneficiaries about potentially life-saving services and screenings

Quick Start

Eliminate Health Disparities

MLN006559 January 2022

Deductible and Coinsurance Waived for Certain Preventive Services

- For DOS on or after 1/1/2011
 - Medicare deductible and coinsurance waived for preventive services included in this presentation
 - [CR 7012, “Waiver of Coinsurance and Deductible for Preventive Services, Section 4104 of Patient Protection and Affordable Health Care Act, Removal of Barriers to Preventive Services in Medicare”](#)

Did You Know

- A beneficiary must be enrolled in Medicare Part B to be covered for any Medicare preventive services

Ultrasound Screening for Abdominal Aortic Aneurysms

What is AAA?

- Aneurysm: abnormal bulge or “ballooning” in wall of an artery
 - Most occur in aorta
- Abdominal aortic aneurysm
 - aneurysm that occurs in the aorta in the abdomen

Ultrasound Screening for AAA

- Procedure that uses sound waves to detect AAA
 - Or other alternative procedure
- Includes interpretation of results

Benefits of Ultrasound Screening for AAA

- Early identification/detection of AAA
- When detected early, can avoid life-threatening rupture
- Deficit Reduction Act of 2005, Section 5112 provided coverage of the ultrasound screening for AAA
 - Effective for DOS on/after 1/1/2007

Who is Covered

- Beneficiaries included in at least one high-risk category
 - See high-risk categories on next slide
- Covered for once in lifetime preventive ultrasound

AAA High Risk Categories

- Family history of AAA
- Males, age 65–75 with history of smoking
- Manifests other risk factors in category recommended for screening through NCD process
 - Coronary heart disease
 - Hypercholesterolemia
 - Hypertension
 - Cerebrovascular disease

Who Can Perform

- Referral from physician or qualified NPP
- Performed by physician or qualified NPP
 - NP
 - PA
 - CNS

Documentation

- Must show screening was ordered by a physician or qualified NPP
- Purpose is early detection of AAA

TOBs

Facility Type	TOB
Hospital inpatient Part B, including CAH	12X
Hospital outpatient	13X
SNF inpatient Part B	22X
SNF outpatient	23X
RHC	71X
FQHC	77X
CAH outpatient	85X

Billing Requirements

- Report appropriate diagnosis code
- Line item billing for ultrasound screening for AAA
 - Report revenue code 040X
 - Report CPT code 76706
 - Ultrasound abdominal aorta, real time with image documentation, screening study for AAA
 - One unit

Additional Information for RHCs/FQHCs

- Ultrasound screening for AAA does not qualify as stand-alone billable encounter
 - Report screening as incident to billable encounter
 - If only service performed on DOS, do not submit claim
- Reimbursement included in AIR/PPS payment

Reimbursement

Facility Type	Basis of Reimbursement
Hospital	Included in OPPS or MPFS
SNF	MPFS nonfacility rate
RHC/FQHC	Included in AIR/PPS
CAH Method I	101% of reasonable cost for TC
CAH Method II	101% of reasonable cost for TC, plus 115% of MPFS nonfacility rate for PC

Beneficiary Cost-Sharing

- Effective for DOS on/after 1/1/2011
 - Deductible waived
 - Coinsurance/copayment waived
 - Affordable Care Act Section 4104
