Disclaimer

National Government Services, Inc. has produced this material as an informational reference for providers furnishing services in our contract jurisdiction. National Government Services employees, agents, and staff make no representation, warranty, or guarantee that this compilation of Medicare information is error-free and will bear no responsibility or liability for the results or consequences of the use of this material. Although every reasonable effort has been made to assure the accuracy of the information within these pages at the time of publication, the Medicare Program is constantly changing, and it is the responsibility of each provider to remain abreast of the Medicare Program requirements. Any regulations, policies and/or guidelines cited in this publication are subject to change without further notice. Current Medicare regulations can be found on the [CMS website](#).

Recording

Attendees/providers are never permitted to record (tape record or any other method) our educational events. This applies to webinars, teleconferences, live events and any other type of National Government Services educational events.

Objective

Assist providers in understanding the MPFSDB, how to access the database files and use the information found in the searchable database **prior to** submitting Medicare Part B claims.

Database Policy Indicators

Policy Indicators

- Procedure status indicators
- Global surgery
- Facility pricing
- Preoperative
- Intraoperative
- Postoperative
- Multiple surgery
- Bilateral surgery
- Assistant at surgery
- Two surgeons
- Team surgery
- Use References: [Fee Schedule Lookup Details](#)

Procedure Status Indicators

- Field indicates whether the code is in the fee schedule and whether it is separately payable if the service is covered
- Presence of an active (or valid) status code does not mean the service is covered by Medicare
- Service may be valid according to the list but may not be considered covered due to other criteria such as medical necessity or global surgery rules

Procedure Status Policy Indicators

Policy Indicator	Description
A	Active code
B	Bundled code
C	Carriers price the code
E	Excluded from Physician Fee Schedule by regulation
I	Not valid for Medicare purposes
N	Noncovered Services: These services are not covered by Medicare
R	Restricted Coverage: Special coverage instructions apply

PC/TC Indicator

- Indicator describes physician services that have global concept, professional or technical components
- These include diagnostic and therapeutic radiology services, certain diagnostic tests that involve a physician's interpretation and physician pathology services
- Indicators identify TC for technical component and 26 professional component (PC)

PC/TC Policy Indicators

Policy Indicator	Description
0	The concept of PC/TC does not apply since physician services cannot be split into professional and technical components
1	These codes have both a professional and technical component. Modifiers 26 and TC can be used with these codes
2	Professional Component Only Codes
3	Technical Component Only Codes
4	Global Test Only Codes

Global Surgery

- Indicator provides the postoperative time frames that apply to payment for each surgical procedure or another indicator that describes the applicability of the global concept to the service
- Global surgery, includes all the necessary services normally furnished by a surgeon before, during and after a procedure
- Medicare payment for surgical procedure includes the preoperative, intra-operative, and postoperative services routinely performed by the surgeon or by members of the same group with the same specialty
- Physicians in same group practice who are in the same specialty must bill and be paid as though they were a single physician

Global Surgery Policy Indicators

Policy Indicator	Description
000	Endoscopic or minor procedure with related preoperative and postoperative relative values on the day of the procedure only included in the fee schedule payment amount; evaluation and management services on the day of the procedure generally not payable
010	Minor procedure with preoperative relative values on the day of the procedure and postoperative relative values during a ten-day postoperative period included in the fee schedule amount; evaluation and management services on the day of the procedure and during the 10-day postoperative period generally not payable
090	Major surgery with a one-day preoperative period and 90-day postoperative period included in the fee schedule payment amount

Multiple Procedure (Modifier 51)

- Indicator for which payment adjustment rule for multiple surgical procedures applies
- Multiple surgeries are separate procedures performed by single physician or physicians in same group practice on same patient at same operative session or on same day for which separate payment may be allowed and reduced
- Providers do not use modifier 51

Multiple Procedure Policy Indicators

Policy Indicator	Description
0	No payment adjustment rules for multiple procedures apply
1	Standard payment adjustment rules in effect before 1/1/1996, for multiple procedures apply. 100 percent, 50 percent, 25 percent, 25 percent, 25 percent
2	Standard payment adjustment rules for multiple procedures apply. 100 percent, 50 percent, 50 percent, 50 percent, 50 percent
3	Special rules for multiple endoscopic procedures apply if procedure is billed with another endoscopy in the same family (that is, another endoscopy that has the same base procedure)

Bilateral Surgery (Modifier 50)

- Indicates services subject to a payment adjustment
- Bilateral services are procedures that can be performed on both sides of the body during same session or on same day by same physician or other qualified health care professional

Bilateral Surgery Policy Indicators

Policy Indicator	Description
0	150 percent payment adjustment for bilateral procedures does not apply
1	150 percent payment adjustment for bilateral procedure applies
2	150 percent payment adjustment for bilateral does not apply
3	The usual payment adjustment for bilateral procedures does not apply

Assistant At Surgery (Modifiers 80/AS)

- Indicates services where assistant at surgery may be paid
- An assistant surgeon is defined as a physician who actively assists the operating surgeon
 - Assistant may be necessary because of the complex nature of procedure(s) or the patient's condition
 - Assistant is usually trained in same specialty
 - Assistant at surgery may be physician assistant, nurse practitioner or nurse midwife acting under the direct supervision of a physician, where physician acts as surgeon and the assistant at surgery as an assistant
- Assistant at surgery modifiers include
 - 80 if the services are by a MD or DO
 - AS if by an NP, PA or CNS

Assistant at Surgery Policy Indicators

Policy Indicator	Description
0	Payment restriction for assistants at surgery applies to this procedure unless supporting documentation is submitted to establish medical necessity
1	Statutory payment restriction for assistants at surgery applies to this procedure. Assistant at surgery may not be paid
2	Payment restriction for assistants at surgery does not apply to this procedure. Assistant at surgery may be paid
9	Concept does not apply

Co-surgeons (Modifier 62)

- Indicator for services that two surgeons, each in different specialty
- Co-surgeons are defined as two or more surgeons, where the skills of both surgeons are necessary to perform distinct parts of a specific operative procedure
- Co-surgery is always performed during the same operative session

Co-surgeon Policy Indicators

Policy Indicator	Description
0	Co-surgeons not permitted for this procedure
1	Co-surgeons could be paid, though supporting documentation is required to establish the medical necessity of two surgeons for the procedure
2	Co-surgeons permitted and no documentation required if the two-specialty requirement is met
9	Concept does not apply

Team Surgery (Modifier 66)

- Indicator for services for which team surgeons may be paid
- Under some circumstances, highly complex procedures may require the services of a surgical team, consisting of several physicians, often of different specialties, plus other highly skilled, specially trained personnel and complex equipment
- Benefits are allowed for medically necessary procedures and allowance(s) will be determined on an individual consideration basis

Team Surgery Policy Indicators

Policy Indicator	Description
0	Team surgeons not permitted for this procedure
1	Team surgeons could be paid, though supporting documentation required to establish medical necessity of a team; pay by report
2	Team surgeons permitted; pay by report
9	Concept does not apply

Fee Schedule Assistance

- The fee schedule assistance page provides access to information about fee schedule definitions
- Indicators tell whether code(s) falls in fee schedule and identify if modifier(s) is required
- Use this site as your reference [Fee schedule assistance](#)

A photograph of two healthcare professionals, likely nurses or doctors, standing in a bright, modern clinical setting. They are both wearing blue scrubs and have stethoscopes around their necks. The woman on the left has curly brown hair, and the woman on the right has straight brown hair. They are both looking down at a tablet computer held by the woman on the right, with the woman on the left pointing at the screen. The background shows large windows with a grid pattern, letting in natural light.
