- Christine Obergfell, CPC, CPC-I, ICD Approved Instructor, Consultant
 - J6 Provider Outreach and Education

Disclaimer

National Government Services, Inc. has produced this material as an informational reference for providers furnishing services in our contract jurisdiction. National Government Services employees, agents, and staff make no representation, warranty, or guarantee that this compilation of Medicare information is error-free and will bear no responsibility or liability for the results or consequences of the use of this material. Although every reasonable effort has been made to assure the accuracy of the information within these pages at the time of publication, the Medicare Program is constantly changing, and it is the responsibility of each provider to remain abreast of the Medicare Program requirements. Any regulations, policies and/or guidelines cited in this publication are subject to change without further notice. Current Medicare regulations can be found on the [CMS website](#).

No Recording

- Attendees/providers are **never** permitted to record (tape record or **any** other method) our educational events
- This applies to our webinars, teleconferences, live events and any other type of National Government Services educational events

Objectives

- Provide an overview of Medicare coverage and eligibility for Medicare Diabetes and Prevention Program

Agenda

- Medicare Diabetes Prevention Program
 - Medicare Eligibility
 - Overview
 - Codes and Billing
 - Claim Submissions
 - NGSConnex, EMC and Paper
 - Contact Information
 - References

MDPP Initiative

- Preventing type 2 diabetes in individuals with indication of prediabetes
- Credential qualified providers/suppliers to deliver MDPP services
- Set up systems to allow MDPP suppliers to bill with coaches as rendering
- Process claims for service
 - Period that may occur up to one year for CY 2022 and two years for beneficiaries beginning MDPP services prior to or by 12/31/2021
- G-codes used only one time per eligible beneficiary

Medicare MDPP Enrollment

- Providers or suppliers shall have CDC preliminary or full recognition
- May enroll with NGS after preliminary or full recognition from CDC
- Coaches are listed on Medicare enrollment application with NPI, but will not have provider transaction access numbers

Provider/Supplier Steps

- Step 1
 - Register DDP with CDC and wait for process
- Step 2
 - Obtain CDC preliminary or full recognition
- Step 3
 - Obtain NPI, this includes coaches NPIs
- Step 4
 - Enroll as a Medicare MDPP provider/supplier type (PECOS or CMS-20134)

Physician Solicitation

- Practitioners have important roles to help beneficiaries understand risk of diabetes and treatment options
- If you suspect patient(s) may have pre-diabetes, refer patients to MDPP suppliers/providers
- Earlier condition is diagnosed, sooner treatment can begin

Beneficiary Eligibility

- Determine beneficiary eligibility
- Whether beneficiary receives Medicare Part B coverage via
 - Fee-for-Service Medicare
 - Medicare Advantage
- Disclose required information about set of MDPP services before first core session

Beneficiary Eligibility

- Beneficiary coverage requirements are PRE-DIABETIC
- Enrolled in Medicare Part B
- Body mass index of at least 25, or at least 23 if self-identified as Asian
- Meet **one** of the following three blood test requirements within the 12 months of the first core session
 - A hemoglobin A1c test with a value between 5.7 and 6.4%, or
 - A fasting plasma glucose of 110-125 mg/dL, or
 - A two-hour plasma glucose of 140-199 mg/dL(oral glucose tolerance test)
- Have no previous diagnosis of type 1 or type 2 diabetes (other than gestational diabetes)
- Do not have end-stage renal disease

MDPP Service Periods

- One year MDPP service period applies to beneficiaries whose DOS for first core session occurs on or after 1/1/2022
- Two year MDPP service period applies to beneficiaries whose DOS for first core session occurs on or before 12/31/2021

Core
sessions

1/1/2022

- Six-month period of sessions
- Suppliers must offer at least 16 sessions, no more than once per week

Maintenance

- Six-month period of sessions, split into two three-month intervals (months seven-nine and 10-12)
- Suppliers must offer minimum of six sessions, with at least one core maintenance session per month

1/1/2022

Ongoing
maintenance

- 12-month period of sessions, split into four three-month intervals (months 13-15, 16-18, 19-21, and 22-24)
- Each interval to go onto the next interval
- Suppliers must offer at least one session per month to eligible beneficiaries that have met the five percent weight loss goal
- Beneficiaries must attend too sessions (at least one in-person) and maintain five percent weight loss during each interval to go onto the next interval

4/1/2018 through 12/31/2021

Recordkeeping Requirements

- Collect session-level data consistent with CDC DPRP standards
 - Including session-level data for ongoing maintenance sessions as required by CMS
- Maintain CMS/CDC beneficiary identifiers crosswalk for quarterly submission to CMS
- [Guidance to Maintain Medicare Diabetes Prevention Program \(MDPP\) Crosswalk File](#)

G9873

- First MDPP core session was attended by MDPP beneficiary under MDPP EM
- Core session of MDPP
 - 1) Is furnished by an MDPP supplier during months one through six of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to CDC-approved DPP curriculum for core sessions.

G9874

- Four total MDPP core sessions were attended by an MDPP beneficiary under MDPP EM
- Core session is MDPP
 - 1) Is furnished by an MDPP supplier during months one through six of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to CDC-approved DPP curriculum for core sessions.

G9875: Start CWF

- Nine total MDPP core sessions were attended by an MDPP beneficiary under MDPP EM
- Core session is an MDPP
 - 1) Is furnished by an MDPP supplier during months one through six of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to CDC-approved DPP curriculum for core sessions.

G9876: Not Achieved

- Two MDPP core maintenance sessions attended by MDPP beneficiary in months seven- nine under MDPP EM
- Core maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months seven -12 of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary did not achieve at least five percent weight loss from baseline weight, as measured by at least one in-person weight measurement at core maintenance session in months seven- nine

G9878: Achieved

- Two MDPP core maintenance sessions were attended by MDPP beneficiary in months seven- nine under MDPP EM
- Core maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months seven- 12 of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary achieved at least five percent weight loss from baseline weight, as measured by at least one in-person weight measurement at core maintenance session in months seven-nine

G9877: Not Achieved

- Two MDPP core maintenance sessions were attended by MDPP beneficiary in months ten–twelve under MDPP EM
- Core maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months seven–twelve of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary did not achieve at least five percent weight loss from baseline weight, as measured by at least one in-person weight measurement at core maintenance session in months ten–twelve

G9879: Achieved

- Two MDPP core maintenance sessions were attended by MDPP beneficiary in months ten–twelve under MDPP EM
- Core maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months seven–twelve of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary achieved at least five percent weight loss from baseline weight measured by at least one in-person weight measurement at a core maintenance session in months ten–twelve

G9880: Five Percent Achieved

- MDPP beneficiary achieved at least five percent weight loss from baseline weight in months one–twelve of MDPP services period under MDPP EM
- One-time payment available when beneficiary first achieves at least five percent weight loss from baseline measured by in-person weight measurement at core session or core maintenance session

G9881: Nine Percent Achieved

- Two year MDPP service period applies to beneficiaries whose DOS for first core session occurs on or before 12/31/2021
 - MDPP beneficiary achieved at least nine percent weight loss from baseline weight in months one–24 under MDPP EM
 - One-time payment available when beneficiary first achieves at least nine percent weight loss from baseline measured by in-person weight measurement at core session, core maintenance session, or ongoing maintenance session

G9882: Five Percent Weight Loss Maintenance

- Two year MDPP service period applies to beneficiaries whose DOS for first core session occurs on or before 12/31/2021
 - Two MDPP ongoing maintenance sessions were attended by MDPP beneficiary in months 13–15 under MDPP EM
 - Ongoing maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months 13 through 24 of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary maintained at least five percent weight loss from baseline weight, as measured by at least one in-person weight measurement at ongoing maintenance session in months 13–15

G9883: Five Percent Weight Loss Maintenance

- Two year MDPP service period applies to beneficiaries whose DOS for first core session occurs on or before 12/31/2021
 - Two MDPP ongoing maintenance sessions were attended by MDPP beneficiary in months 16–18 under MDPP EM
 - Ongoing maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months 13 through 24 of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary maintained at least five percent weight loss from baseline weight measured by at least one in-person weight measurement at ongoing maintenance session in months 16–18

G9884: Five Percent Weight Loss Maintenance

- Two year MDPP service period applies to beneficiaries whose DOS for first core session occurs on or before 12/31/2021
 - Two MDPP ongoing maintenance sessions were attended by MDPP beneficiary in months 19–21 under MDPP EM
 - Ongoing maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months 13 through 24 of MDPP services period.
 - 2) Is approximately one hour in length,
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary maintained at least five percent weight loss from baseline weight measured by at least one in-person weight measurement at ongoing maintenance session in months 19–21

G9885: Five Percent Weight Loss Maintenance

- Two year MDPP service period applies to beneficiaries whose DOS for first core session occurs on or before 12/31/2021
 - Two MDPP ongoing maintenance sessions were attended by MDPP beneficiary in months 22–24 under MDPP EM
 - Ongoing maintenance session is MDPP
 - 1) Is furnished by an MDPP supplier during months 13–24 of MDPP services period.
 - 2) Is approximately one hour in length.
 - 3) Adheres to a CDC-approved DPP curriculum for maintenance sessions.
- Beneficiary maintained at least five percent weight loss from baseline weight measured by at least one in-person weight measurement at ongoing maintenance session in months 22–24

G9890: Bridge Payment Is One Time Payment

- First MDPP core session, core maintenance session, or ongoing maintenance session furnished by MDPP supplier to MDPP beneficiary who has previously received MDPP services from different MDPP supplier
- Suppliers may only receive one bridge payment per MDPP beneficiary

G9891: Reporting Purposes Only

- Code is for MDPP session reported as line-item on claim for payable MDPP Expanded Model HCPCS code for session furnished by billing supplier under MDPP EM and counting toward achievement of attendance performance goal for payable MDPP EM HCPCS code

Virtual Or Make-Up Sessions

- Make-up sessions
- Virtual modifier VM shall be appended to end of any G-code associated with session that was furnished as virtual make-up session

Claim Submission Requirements

Initial MDPP

- G9873 must be submitted before any other claims will be paid
- Submit claims when performance goal met
- Use non-payable G-code (G9891) to report attendance at sessions not associated with performance goal
- Codes should be listed on same claim as the payable code with which they are associated
 - Report G9891 for sessions two and three if you are reporting G9874 for session four attendance
- Each code should be listed with corresponding session date of service and rendering coach NPI

Claim Requirements

- Line 19: enter demo code 82
 - Loop 2300 segment REF01 (P4) and segment REF02 (82)
- Line 21: enter most appropriate ICD-10 diagnosis code (e.g., Z71.89 Other specified counseling)
 - Loop 2300 Segment HI02-1 to HI12-1
- Line 24A: enter date of service for each session
 - Loop 2400 segment DTP03 (472)

Claim Requirements

- Line 24B: enter two-digit place of service code where the MDPP service was furnished
 - Office (11), Outpatient Facility (19 or 22), or “Other” (99) if place of service was furnished in community setting or as virtual make-up session)
 - Loop 2300 segment CLM05-1
- Line 24D: enter MDPP HCPCS codes associated with MDPP service, including nonpayable codes when appropriate
 - Loop 2400 segment SV101-2

Claim Requirements

- Line 24J: enter MDPP Coaches' NPI
 - Loop 2310B segment NM109
- Coaches affiliated with MDPP suppliers will not be enrolled in Medicare, but have NPIs that have to be reported
- Line 33: enter the supplier/organization billing provider name, address, city, state, ZIP and telephone
 - Loop 2010AA or 2010AB segments NM103–NM105, N301, N401–N403, PER04

Claim Requirements

- Line 33A: enter the supplier/organization NPI billing provider (specialty D1)
 - Loop 2010AA segment NM109

NGSConnex Claim Submissions

- Part B providers who have completed EDI enrollment form on file can submit claims through NGSConnex
- NGSConnex User Guide
 - Rendering MDPP Coach Name – Enter the First and Last Name of MDPP Coach
 - Check box to indicate Rendering provider is an MDPP coach
