

Introduction to Medicare II

2/22/2024

Closed Captioning: Auto-generated closed captioning is enabled in this course and is at best 70-90% accurate. Words prone to error include specialized terminology, proper names and acronyms.

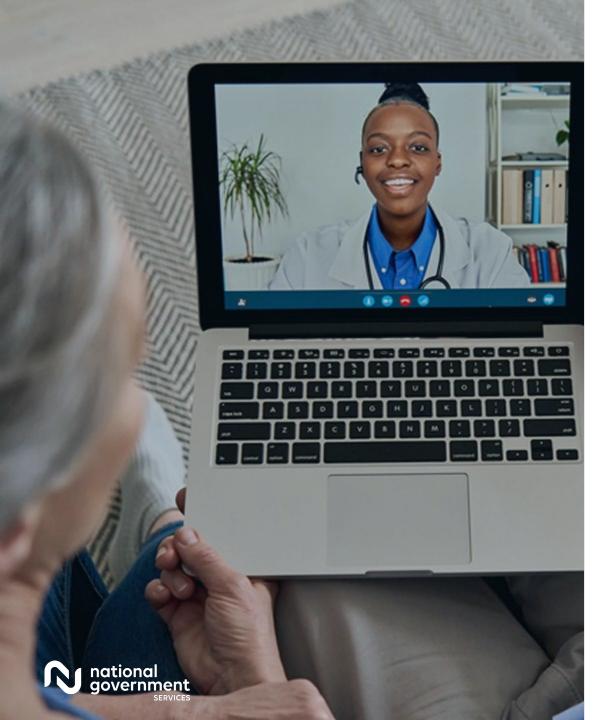

Disclaimer

National Government Services, Inc. has produced this material as an informational reference for providers furnishing services in our contract jurisdiction. National Government Services employees, agents, and staff make no representation, warranty, or guarantee that this compilation of Medicare information is error-free and will bear no responsibility or liability for the results or consequences of the use of this material. Although every reasonable effort has been made to assure the accuracy of the information within these pages at the time of publication, the Medicare Program is constantly changing, and it is the responsibility of each provider to remain abreast of the Medicare Program requirements. Any regulations, policies and/or guidelines cited in this publication are subject to change without further notice. Current Medicare regulations can be found on the CMS website.

Recording

Attendees/providers are never permitted to record (tape record or any other method) our educational events. This applies to webinars, teleconferences, live events and any other type of National Government Services educational events.

Objective

After this session attendees will be able to

- Receive a more in-depth understanding of the Medicare Program
- Learn how to access Local Coverage Determinations
- How to be Medicare compliant in your office
- Know what resources to use in order to determine Medicare eligibility and ensure that office intake procedures are efficient

Today's Presenters

Provider Outreach and Education Consultants

- Arlene Dunphy, CPC
- Michele Poulos

New LCD Request Process

New LCD Request Process (A56198)

- Request considered in our jurisdiction from
 - Beneficiaries residing or receiving care
 - Healthcare professionals
 - Any interested party
- Request should include
 - Language that requestor wants included in the new LCD
 - Justification supported by peer-reviewed evidence
 - Full copies of published evidence to be considered
 - Information that addresses the relevance, usefulness, clinical health outcomes or medical benefits
 - Information that fully explains the design, purpose and/or method
- Health Disparities Analysis (Recommended)
 - Include an analysis of any relevant peer-reviewed medical literature that quantifies and/or describes any health disparities related to the specific LCD Reconsideration request
 - How the requested changed may impact health disparities

New LCD Request Process

- An informal meeting may be requested for discussion of the potential LCD
- Request can be sent via email, facsimile or written letter
 - Email: NGSnewlcdrequest@anthem.com
 - Fax: 317-595-4334
 - ✓ Attention: New LCD Request
 - Mail

National Government Services, Inc.

Medical Policy Unit

Attention: New LCD Request

P.O. Box 7108

Indianapolis, IN 46207-7108

New LCD Request Process

- Within 60 calendar days NGS will review the materials and determine whether the request is complete or incomplete
 - Complete
 - ✓ New LCD process will be followed
 - Response is an acknowledgement of the receipt of a complete, valid request not a determination
 - Incomplete
 - ✓ NGS will provide in writing why the request was incomplete

New LCD Request Process

- All proposed LCDs will include
 - Consultation
 - Publication of proposed LCD
 - Open meeting
 - · Opportunity for public comment in writing
 - Publication of a final LCD that includes a response to public comments received
 - Notice of new policy 45 days in advance of the effective date

Article for LCD Reconsideration Process (A52842)

- Requesting a revision to a final LCD
- Submit written request
- Identify language that requestor wants added/deleted from LCD
 - Include the name of the LCD
- Copies of published authoritative evidence
- Health Disparities Analysis (Recommended)
 - Include an analysis of any relevant peer-reviewed medical literature that quantifies and/or describes any health disparities related to the specific LCD Reconsideration request
 - How the requested change may impact health disparities

Reconsideration Process

- Submission of electronic request is preferred
 - Email: <u>NGS.lcd.reconsideration@anthem.com</u>
 - Fax: 317-595-4334
 - Mail
 - ✓ National Government Services, Inc. Medical Policy Unit Attention: LCD Reconsideration Request P.O. Box 7108 Indianapolis, IN 46207-7108

Requesting Addition of ICD-10 Code

- Providers may request that an LCD be revised to add coverage for additional diagnosis codes
- Does not qualify as a reconsideration
- Can send a request to
 - Email: NGS.lcd.reconsideration@anthem.com
- Include clinical rationale if no peer-reviewed literature is available
 - Remember no PHI or PII can be sent electronically

LCD Open Meetings

- Held for each LCD development cycle
- Notice of meeting is posted with location and time of meetings about one month in advance
 - Medical Policies Section of our website
 - Open to the public
 - In person or teleconference participation available

Medical Policy Unit Contact

- Inquiries related to medical policy, including LCDs and clinical questions
 - Submit to our Contractor Medical Director via email NGSCMD@anthem.com for clinical issues related to Medicare coverage only
- General inquiries related to Medicare coverage, local and national coverage determinations, billing and reimbursement must be directed to our Provider Contact Center

• J6: 866-234-7340

National Coverage Determinations (NCDs)

NCDs

- NCDs are policies developed by CMS
 - Same for all contractors across the country
- NCDs are made through an evidence-based process, with opportunities for public participation
 - In the absence of a national coverage policy, an item or service may be covered at the discretion of the Medicare contractors based on an LCD
 - CMS IOM Publication 100-03, Medicare National Coverage Determinations (NCD)
 <u>Manual</u>

NCDs

- Interested parties should submit national coverage requests and national coverage reconsideration requests through the CMS website or in writing to
- Medicare Coverage Determination Process
- Coverage and Analysis Group Centers for Medicare & Medicaid Services 7500 Security Blvd. (Mailstop C1-09-06) Baltimore, MD 21244

What can we help you with? Targeted Probe and Comprehensive Error Rate Fraud & Abuse Educate Testing Supplemental Medical **Prior Authorization Recovery Audit Review Contractor Medical Review**

Comprehensive Error Rate Testing (CERT) Program

- CERT program is designed to determined if MACs are processing and paying claims correctly
- Improper payments represent payments that do not meet program requirements whether intentional or otherwise and contribute to inaccurate spending of Americans' tax dollars
- Overall Improper payment rate
 - 2018 8.12 percent
 - 2019 7.25 percent
 - 2020 6.27 percent
 - 2021 6.25 percent
 - 2022 7.46 percent
 - 2023 10.03 percent, representing \$10.99 billion dollars in improper payments

Comprehensive Error Rate Testing (CERT) Program

- CERT program is comprised of two contractors
 - CERT RC
 - ✓ Samples claims
 - ✓ Requests and receives all medical records
 - ✓ Reviews medical records
 - ✓ Compiles the data (using the CERT SC)
 - CERT SC
 - ✓ Calculates improper payment rates and amounts
 - ✓ Designs sampling strategy
- Comprehensive Error Rate Testing Details

Medical Review

NGS Medical Review Process Prepayment Reviews

- Claims will suspend
 - ADR generated
- Respond timely and accurately
 - Within 35–40 days (CMS allows 45 days)
 - Send each response separately
 - Include all necessary records
 - Signatures and credentials

NGS Medical Review Process Postpayment Reviews

- ADR will advise you of the documentation needed
- Include all records necessary to support the services
- Do not include additional correspondence
- Records must be complete and legible
 - Including signatures and credentials

Medical Review Target Probe and Educate (TPE)

- Program is designed to help providers and suppliers reduce claim denials and appeals through one-on-one help
- TPE reviews may involve claims that have already been processed (postpayment)
 - Notification letter will include a listing of all the claims being selected
- New claim submissions (prepayment)
 - Includes a notification letter followed by separate ADRs for each claim

Key Elements of TPE

Medical record review include up to three rounds of TPE review

Claim sample size per provider, per topic, and a round of TPE review is limited to a minimum of 20 and a maximum of 40 claims

Includes provider specific education focusing on improving issues

Education will be offered after each round of 20 to 40 claims reviewed

Medicare Provider Compliance Tips

NGSMT

Front Office

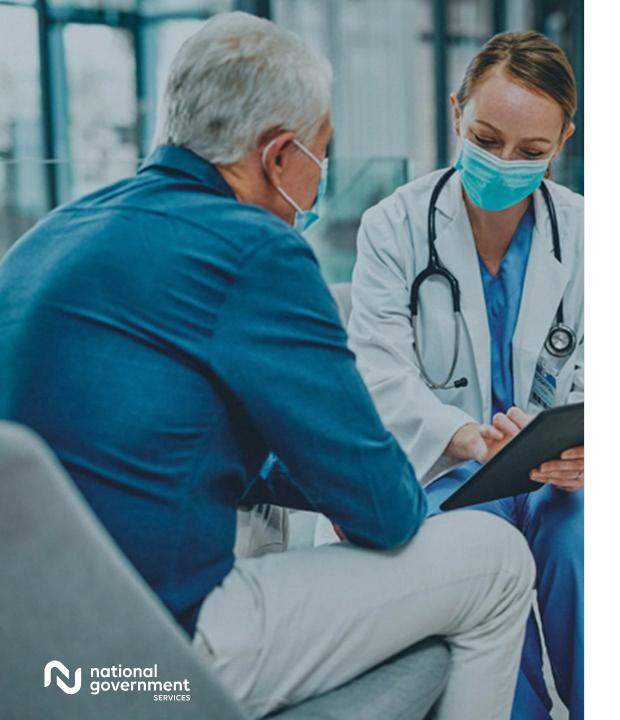

Front Office Staff

- Front office staff is key to determining what type of insurance should be billed for services
- This job is not only the collection of patient information, copying insurance cards and health information, but also verifying insurance information with the different contractors

Traditional Fee-For-Service Medicare

Applying for Medicare

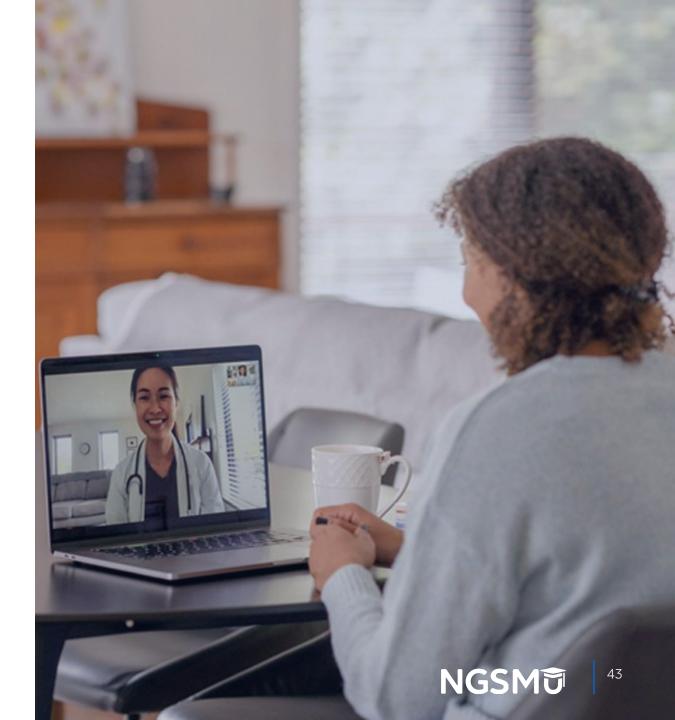

Beneficiary reaches 65 and notifies Social Security office to apply for Medicare Part B

Seven-month period starting with three months prior to age 65, up to three months after

Medicare Part B is a voluntary program – beneficiaries pay a monthly premium

Applying for Medicare at a later time

- If beneficiary didn't sign up during initial sevenmonth enrollment period, they can sign up from January 1-March 31 of each year
- May have to pay a higher premium for late enrollment
- If covered under a group health plan based on current employment, they qualify for a separate enrollment period

Medicare Advantage Plans

Medicare Advantage Plans

- Private insurance companies approved by Medicare provide this coverage
- In most plans, you need to use plan doctors, hospitals, and other providers, or you may pay more or all the costs

Medicare Advantage Plans Costs

You pay a monthly premium (in addition to your Part B premium), copayment or coinsurance for covered services

Costs, extra coverage and rules vary by plan

Your plan may require preapproval for services

Medigap/Supplemental Insurance

What Is Medigap Insurance?

Health insurance sold by private insurance companies to fill the "gaps" in traditional Medicare Plan coverage

Some policies cover extra benefits that aren't normally covered by traditional Medicare

Claims will be forwarded to the Medigap carrier once the office enters appropriate Medigap carrier information on the claim form (OCNA)

What Is Supplemental Insurance?

Generally, a retiree benefit from their company

They normally do not have to pay for it and it crosses automatically from the Medicare office

Beneficiary must let Social Security office know if they have a secondary insurance to Medicare

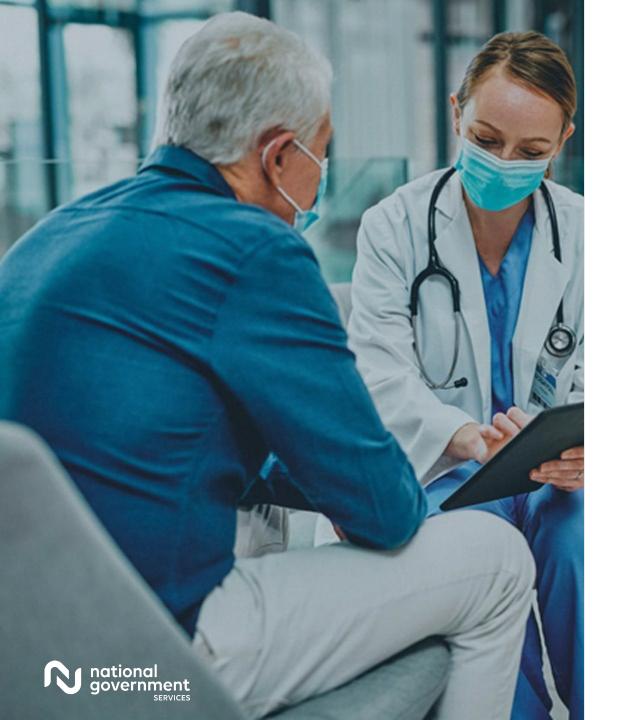

Documenting Medicare Secondary Payer Information

- The CMS-model MSP Questionnaire can be found in the <u>CMS IOM</u> <u>Publication 100-05, Medicare Secondary Payer (MSP) Manual, Chapter 3</u>
- Review questionnaire with the beneficiary
 - Do not assume responses
- Document
 - Both positive and negative responses
- Develop internal policies for unable or unwilling beneficiaries
- Recommended to save MSP information for ten years from date of service

Benefits Coordination & Recovery Center

BCRC

- Formerly known as coordination of benefits
- Most up-to-date and accurate beneficiary insurance information

Customer service representatives available

- Monday–Friday, 8:00 a.m.–8:00 p.m. ET, except holidays
- 855-798-2627
- TTY/TDD: 855-797-2627 (hearing and speech impaired)

How Do I Check Patient Eligibility

Provider Contact Center Training Closure

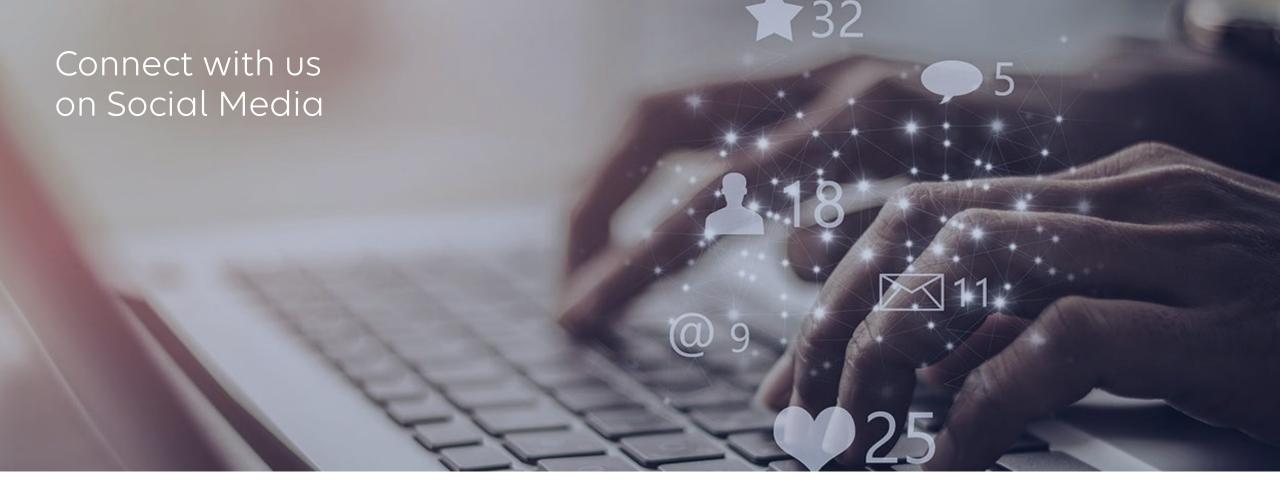

- PCC closes twice a month for training and staff development
 - Training is conducted on the 2nd and 4th Friday of each month from 11:00 a.m.-3:00 p.m. CT and 12:00 p.m.-4:00 p.m. ET
- This schedule was determined based on our lowest call volume times to reduce impact to our providers
