Combined Landing Page – Log into NGSConnex

NGS website

The screenshot displays the National Government Services landing page. At the top left is the 'national government SERVICES' logo. The main content area is split into two columns. The left column, titled 'Access NGS Medicare', describes the service and includes a dropdown menu for 'I am a...' and a 'Please select' dropdown, with an 'Enter' button below. The right column, titled 'Log into NGSConnex', describes the portal and includes input fields for 'User ID' and 'Password', with an 'Enter' button below. Below the main content area are three logos: NPPES (National Provider & Practice Examination System), MU (Medicare University), and PECOS (Provider Enrollment, Chain of Ownership, and System). Each logo has a brief description of its function. At the bottom, there is a dark blue footer with links for 'About Us', 'Privacy Notice', and 'Site Map', along with the CMS logo and a copyright notice for 2025.

What Is the IVR?

- IVR System
 - Research application used to provide general/common Medicare beneficiary and/or claim information
 - Text-to-speech technology
 - Uses natural language
 - Allows you to speak directly into telephone to make a selection
- CMS mandate

Benefits of Using IVR

- No sign-up and minimal training needed
- Need phone access, no need for computer
- All provider departments can use
 - E.G.: Admissions, billing, accounting
- Extended hours to serve many schedules
- Stay on call as long as needed to get as much information as necessary
- Uses same system as PCC, NGSConnex, FISS DDE

Note: Beneficiary eligibility information no longer offered on the IVR
