Applying for an Extended Repayment Schedule

Any time a provider needs longer than 30 days to repay the full amount of an overpayment the provider should submit a request for an extended repayment schedule (ERS). While a provider may request an ERS at any time during the debt-collection process, submittal within the first 15 days of the demand letter date may decrease the likelihood of a full withhold interim payments.

Please refer to your individual demand letter for specifics on withholding dates.

To request an extended repayment schedule, please email the required documents indicated on the list below along with the completed form and a copy of first month's installment payment to:

- jkextendedrepaymentschedules@anthem.com

If a valid ERS request is submitted and received within 15 days of the date of the demand letter, collections will be delayed for 30 days while we review your application. If a complete ERS application is not received within 30 days of the initial request, a 30 percent payment suspension of interim payments will be implemented.

If we do not hear from the provider regarding an ERS application prior to the withholding date contained in the demand letter, we will begin to recoup the overpayment by withholding a percentage of interim payments. The withhold percentage is generally 100 percent.

Any payments withheld will be applied to the outstanding overpayment and will not be refunded. Any request for an ERS greater than 36 months will be forwarded to the Centers for Medicare & Medicaid Services (CMS) for approval. The maximum term allowed to request is 60 months.

Approved ERS will run from the date of the initial demand letter.

Good faith payments are required every 30 days during the review process until written approval or denial is received. Non submission of good faith payments will cause your ERS request to be closed and 100% withholding with possible referral to Treasury to occur.

If you have any questions, please submit your inquires to jkextendedrepaymentschedules@anthem.com. Additional information regarding the ERS process can be obtained by visiting [our website](#).

JK providers should mail the first payment and the completed checklist directly to:

National Government Services
P.O. Box 809366
Chicago, IL 60680-9366

Your check should be made payable to **National Government Services** and reference **JK A ERS Request**.
